HOSTED BY

David Greene & Friends

Four Winds Ministry Village is a 501(c)(3) non-profit community outreach organization that for the past 18 years has been dedicated to helping broken and hurting individuals and families in Walton and surrounding counties to heal, grow and overcome life challenges. We accomplish our mission by providing access to professional counseling, life skills, parenting classes, poverty alleviation, and various support groups. Also, this year we are excited to add supervised visitation services to help families that are currently separated to be able to visit and grow their bond in a safe environment.

All proceeds benefit this ministry and your support of the golf tournament will help provide the necessary funds to ensure that these services are available to all who may need them.

"There is no better organization to which you could donate your time, money or tangible items. FWMV is concerned with the often overlooked needs within our community and is truly committed to finding solutions, bringing and sharing hope." —David Greene
