ABOUT FOUR WINDS

Four Winds is a faith-driven 501c3 non-profit, passionately dedicated to assisting vulnerable families in Walton and nearby counties. Our primary aim is to support families grappling with various challenges such as substance abuse, domestic violence, legal issues, mental health struggles, and poverty, ensuring they access vital services they might otherwise lack.

We empower these families by offering learning opportunities and fostering essential skills, guiding them towards realizing their fullest potential and inherent dignity. Through our network of professionals, including therapists, life coaches, and parenting educators, we facilitate access to crucial resources and community support, enabling families to heal and function more effectively. Ultimately, our efforts contribute to the well-being of the entire community, as we firmly believe that healthy families are the cornerstone of thriving societies.

All proceeds from this golf tournament will directly support our ministry at Four Winds. Your participation in this event not only promises a day of enjoyable golf but also provides tangible assistance to those facing hardships in our community. Join us on the course and make a meaningful impact in the lives of families striving for a brighter future!

Special Guest **David Greene**

We are honored to have former UGA quarterback, and SEC Champion, David Greene as our Master of Ceremonies for the 15th year.
